Perfecto

WHITE BODY
S E R I E S

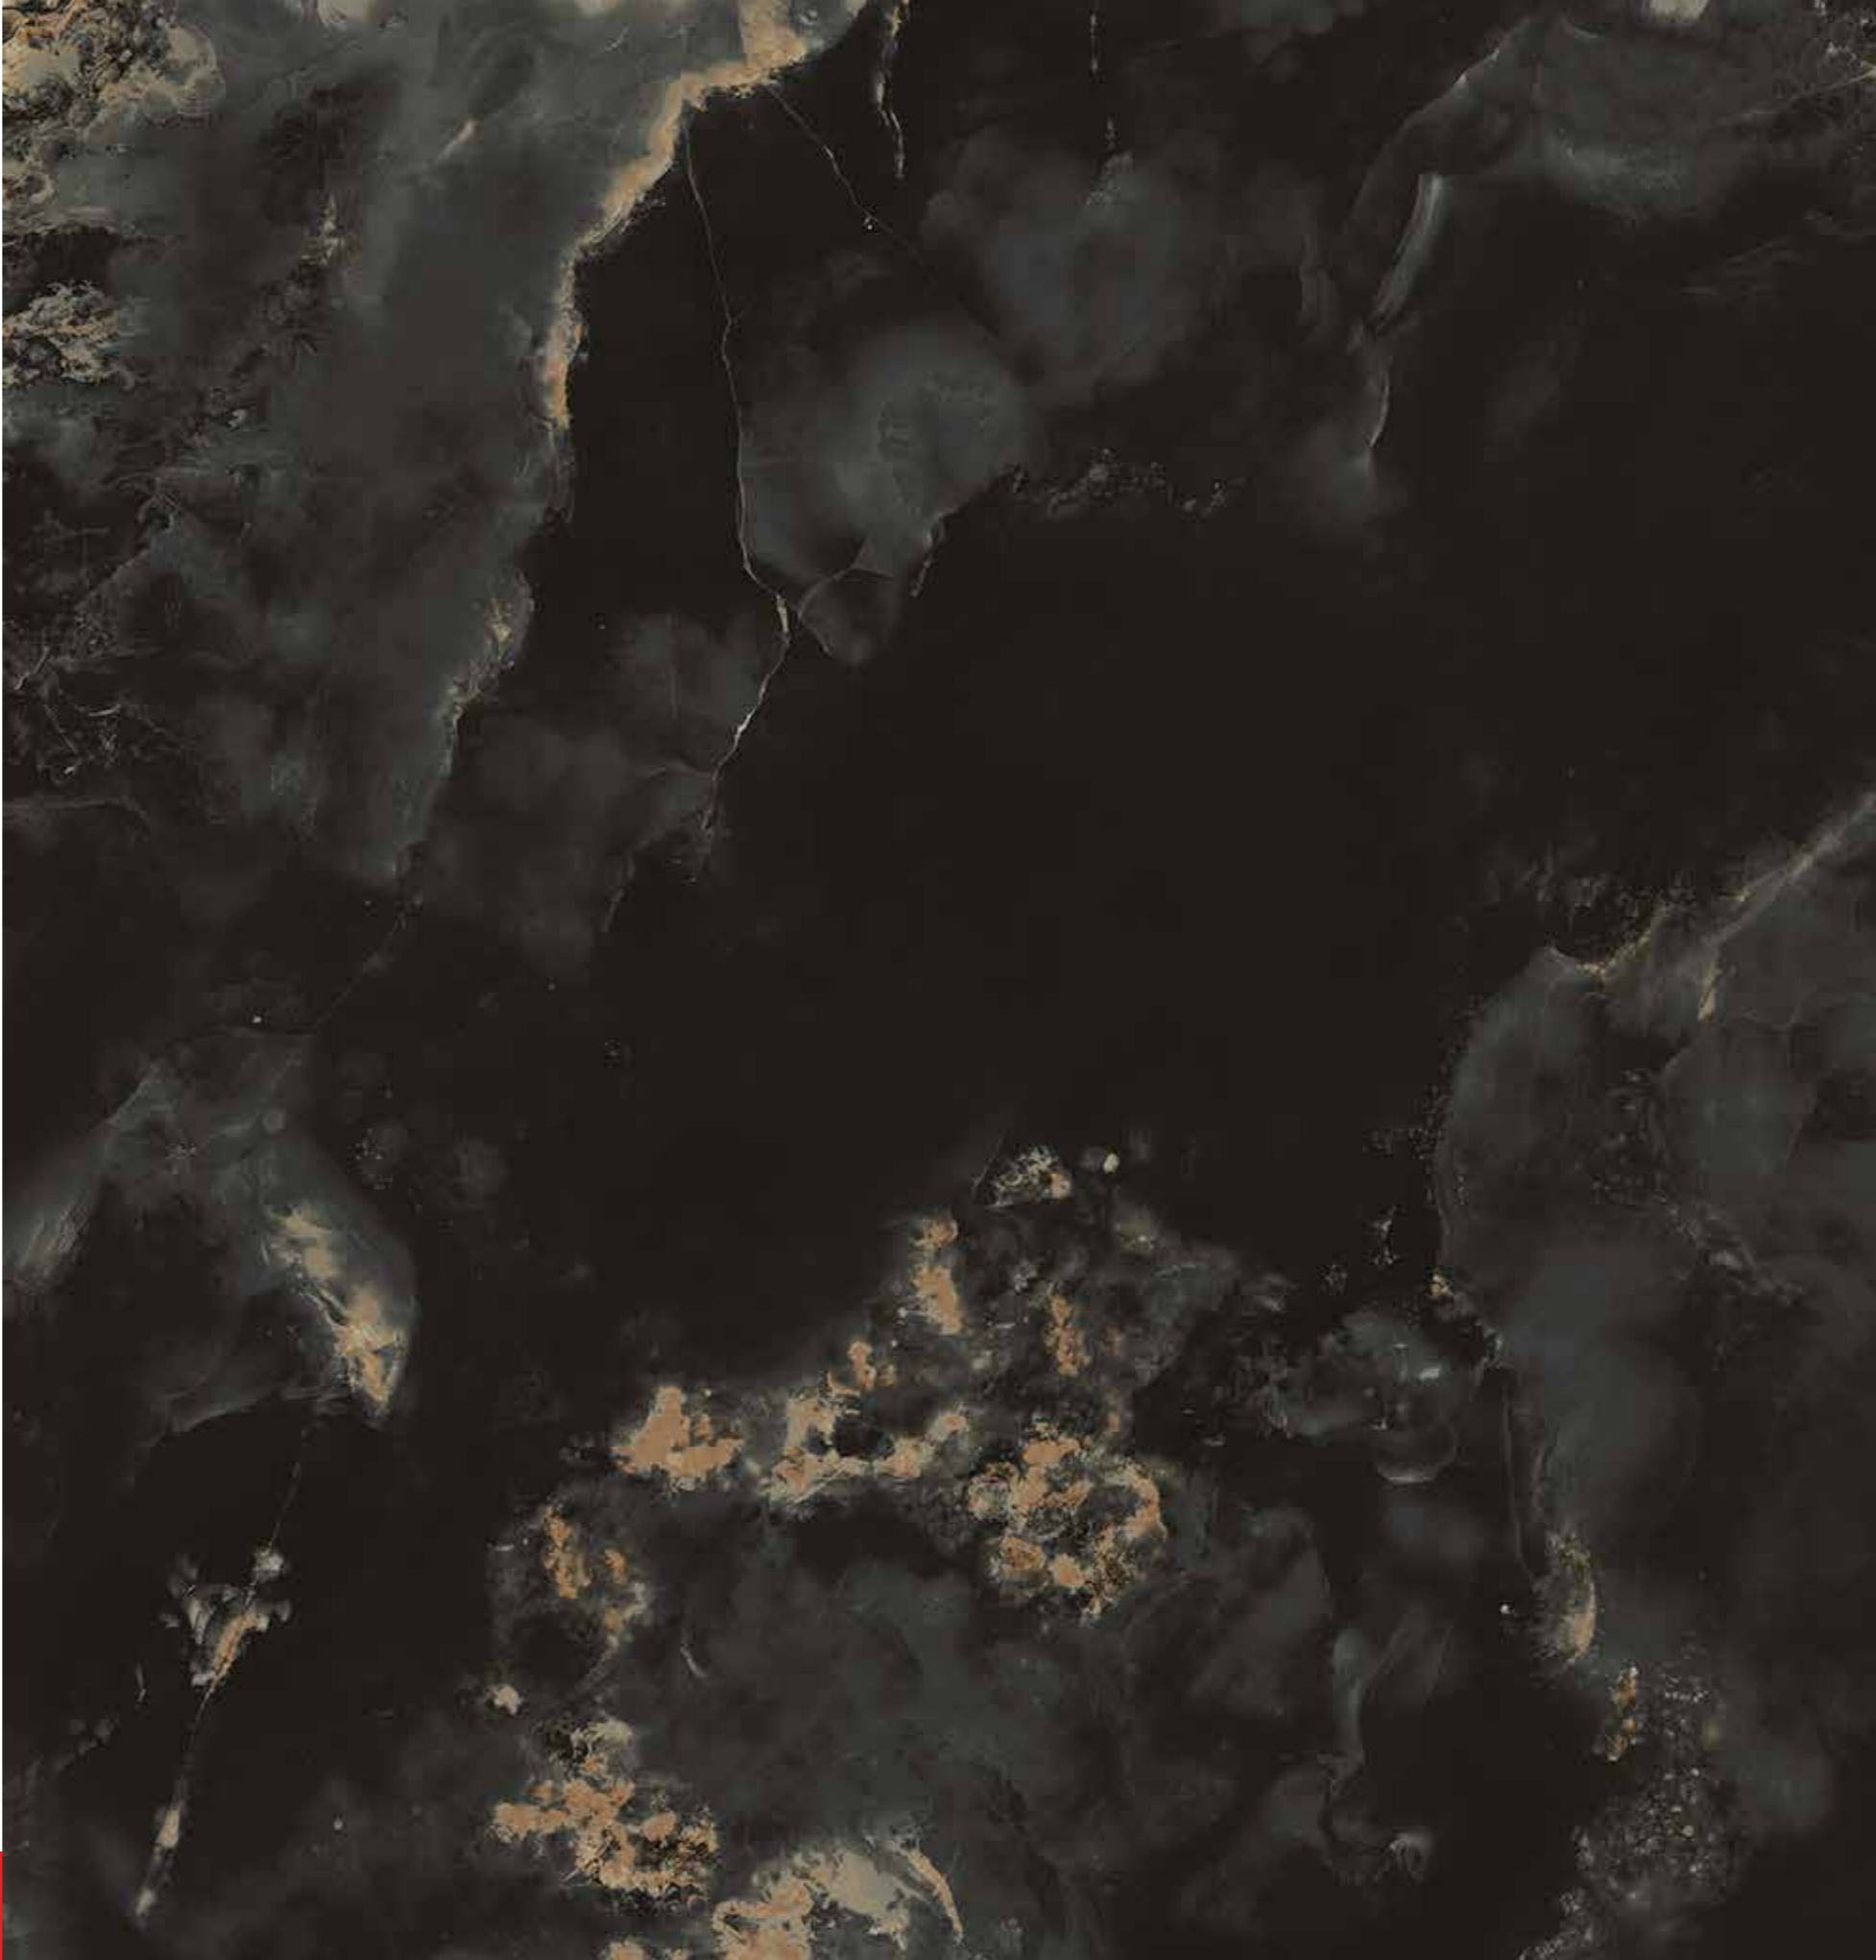

THE NEWEST BREAKTHROUGH FROM PLATINUM CERAMICS

Always one step ahead of others, Platinum Ceramics once again releases a breakthrough collection which fits perfectly with the trend of interior designs. Fitting of its name, **PERFECTO** has all desirable quality, making it the right choice for every context

Thanks to its white body, Perfecto perfectly enriched the design of tiles with its **magnificent visual and striking color**. It also makes this collection have a **better visual with high quality of glossy and matte** appearance with a **harder and stronger body**.

This collection come with 4 sizes: 80x80, 60x60, 40x80 and 30x60. All in **rectified format, which make it seamless, clean and precise**.

Available in many various of motifs, Perfecto offers a vast array design solutions

SHAPE INK EFFECT

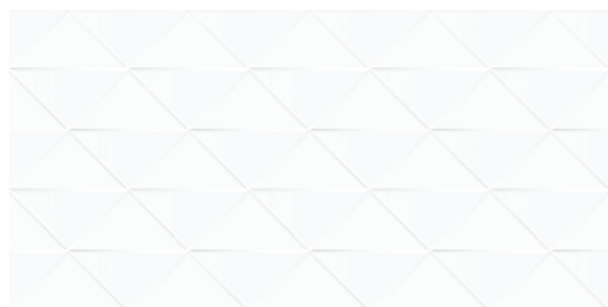

PRECISE STRUCTURE
MORE NATURAL
FULLY INTEGRATED WITH MOTIF

With this Shape Ink technology, it allows us to create a precise structure matching to the motif which could not be achieved previously.

It enhances our design to be more natural and integrates the effect fully into the motif.
